Eureka affonda le radici in una delle realtà imprenditoriali ed industriali più importanti d'Italia, in cui ha saputo svilupparsi ed affermarsi a livello mondiale.

Oltre ad un'estensiva rete commerciale italiana, siamo presenti in oltre 40 paesi nel mondo.

Grazie a queste premesse, siamo cresciuti e ci siamo sviluppati forti di quei valori che vedono la centralità della persona come fattore di successo, centro di attenzione ed elemento caratterizzante dell'impresa nella quale operiamo, oltre che la società ed il territorio nei quali viviamo.

La forza di Eureka è la filiera produttiva interna e la conseguente capacità di seguire lo sviluppo di un prodotto in tutte le sue fasi, dalla ricerca e sviluppo al prodotto finito. L'evoluzione delle tecniche produttive e la ricerca della qualità nei processi di lavorazione mostra il **costante impegno dell'azienda nell'offrire un servizio eccellente.**

Eureka has its roots in one of the most important entrepreneurial regions of Italy, in which has developed and established on a world wide scale.

In addition to an extensive Italian sales network, we are present in over 40 countries around the world.

Thanks to these preconditions, we grew and developed, building on those values which put the person as a key factor and characterizing element in the company and in the territory we live in.

Eureka's strength is its internal production chain and the consequent ability to follow the development of a product in all its phases, from research and development to the finished product. The evolution of production techniques and the search for quality in manufacturing processes shows the **company's constant commitment to offering an excellent service.**
